AREA AGENCY ON AGING

There are eight (8) Area Agencies on Aging (AAA) in Arkansas.

Each Area Agency on Aging has an Employment Coordinator that assists senior citizens in obtaining Senior Community Service Employment Program (SCSEP) or State Older Worker Program employment.

How will the AAA Employment Coordinators be involved in the One-Stop Programs in their regions?

How will the AAA Employment Coordinators be assured of being invited to meetings, workshops, planning, etc., that the One-Stop Programs have in their regions?

How will they link the AAA Employment Coordinators via the computer to job opportunity listings, training, etc.?

How will they link those Senior Activity Centers having computers to job opportunity listing, training, etc., via the computer?

How will they assist senior citizens that are non-readers or have a limited education in completing employment applications, taking tests, etc.?

Will they publish their materials – handouts for the public in a larger print?

Will they disseminate their material to the AAA Employment Coordinators and Senior Activities Centers?
