

**Notice of Technical Correction**  
**PY 2009 Incumbent Worker Training Program**  
February 4, 2010

---

A technical correction has been made to page 2 of the PY 2009 application instructions, under the “How much money is available?” section, second sentence.

During the final edit of the PY 2009 Incumbent Worker Training Program application instructions, the word “application” was erroneously inserted where the word “applicant” previously had been. This sentence is corrected to read as follows:

“The maximum funding for an applicant is \$150,000.”

If applicants plan to propose multiple training projects, they should complete an application for each training project proposed. However, each applicant is only capable of receiving up to \$150,000 total for all training projects.
