

Arkansas Division of  
**Workforce Services**

Arkansas Rehabilitation Services

**Arkansas Rehabilitation Services presents:**

# FILM SCHOOL

Film School is an overnight opportunity for youths with disabilities who have an interest in film and video production. Participants will learn about career opportunities in the film industry and learn skills associated with film industry and video production. Over the course of one week, students will learn to use industry equipment as well as learn every day technology to develop and produce short films.

**July 17-21, 2023**

**SAU Tech, Camden, AR**
