Relocation of Services Provided through Clarksville Workforce Services Office

The services provided through the Clarksville Arkansas Division of Workforce Services office will be relocated as of December 8, 2021. DWS services will be provided through the Mobile Arkansas Workforce Centers and the Russellville DWS office.

Initially, DWS staff will provide services to the Clarksville area on a weekly basis via the Mobile Workforce Centers. This schedule may be subject to revision based on assessment of community need. To find out when a Mobile Workforce Center will be in the Clarksville area next, please check www.dws.arkansas.gov or follow DWS on social media.

This relocation of services will help DWS to better serve the citizens of Arkansas while making the best use of taxpayer dollars. It will also allow DWS to embrace new service-delivery models like providing core services through the Mobile Arkansas Workforce Centers and making more services available online.
