NOTE: Individual grant agreements may contain terms and/or conditions which could differ somewhat from those in this sample template, therefore, each recipient must read, refer and adhere to those terms and conditions in any respective award document.

1. Order of Precedence

In the event of any inconsistency between the terms and conditions of this Notice of Award and other requirements, the following order of precedence shall apply:

- I. *(WIOA program authorizations/statute)*;
- II. Other applicable Federal statutes;
- III. *(applicable appropriations)*;
- IV. Implementing Regulations
- V. Executive Orders;
- VI. OMB Circulars, including the Uniform Guidance at 2 CFR 200 and 2900
- VII. DOL-ETA Directives;
- VIII. Terms and conditions of this award.

2. Funding Opportunity Announcement

The Funding Opportunity Announcement (FOA) and any amendments *(hyperlink[s] to FOA)* are hereby incorporated into this Notice of Award (NOA). Recipients are bound by the authorizations, restrictions, and requirements contained in the FOA. Expenditure of grant funds certifies that your organization has read and will comply with all parts of the NOA.

3. Approved Statement of Work

The award recipient's project narrative is taken as the Statement of Work. It has been included as Attachment D. If there is any inconsistency between items specified in the project narrative and the program statute, appropriation, regulations, Executive Orders, Uniform Guidance, OMB Circulars, and DOL-ETA directives, the order of precedence will prevail.

4. Notice of Award

Funds shall be obligated and allocated via a Notice of Award (NOA) grant modification. Obligations and costs may not exceed the amount awarded by the NOA modification unless otherwise modified by ETA. Funds are obligated for the amount indicated in the "Modification 0" NOA in accordance with the recipient's award amount. The Federal obligation level will be amended by the Grant Officer to increase (or adjust) amounts available to the recipient as funds become available for obligation and additional Notice of Award (or Deobligation) grant modifications are required and issued.

5. Approved Budget

The recipient's budget documents are attached in this Notice of Award. The documents are: 1) the SF-424, included at Attachment A; 2) the SF-424 A, included at Attachment B; and 3) the Budget Narrative, included at Attachment C. The recipient must confirm that all costs are allowable before expenditure. Pursuant to 2 CFR 2900.1, approval of the budget as awarded does not constitute prior

approval of those items specified in 2 CFR 200 or this grant award as requiring prior approval. The Grant Officer is the only official with the authority to provide such approval.

6. Resources and Information

Additional resources and information to assist you is located on the ETA website at <https://www.doleta.gov/grants/resources.cfm>. This site contains information about the Uniform Guidance, grant terms and conditions, financial reporting, indirect costs, recipient training resources, and other relevant information.

7. Evaluation, Data, and Implementation

The recipient must cooperate with the DOL in the conduct of a third-party evaluation, including providing DOL or its authorized contractor with appropriate data and access to program operating personnel and participants in a timely manner.

8. Indirect Cost Rate and Cost Allocation Plan

___ A. A **current** Federally approved Negotiated Indirect Cost Rate Agreement (NICRA) or current federally approved Cost Allocation Plan (CAP) has been provided – copy attached.

For a NICRA only:

- (1) Indirect Rate approved: _____ %
- (2) Type of Indirect Cost Rate: _____ (i.e. *Provisional/Predetermined/Fixed*)
- (3) Allocation Distribution Base: _____
- (4) Current beginning and ending period applicable to rate: _____

Estimated Indirect Costs are shown on the SF-424A budget form. If a new NICRA is issued during the grant's period of performance, it must be provided to DOL within 30 days of issuance. Funds may be re-budgeted as necessary between direct and indirect costs consistent with 10% Budget Flexibility term within this agreement, grant requirements and DOL regulations for prior approval, however the total amount of grant award funding will not be increased. Any budget changes impacting the Statement of Work and agreed upon outcomes or deliverables require a request for modification and prior approval from the Grant Officer.

B. (1) Latest NICRA or CAP approved by the Federal Cognizant Agency (FCA) is not current, **or**

(2) _____ An indirect cost rate proposal or CAP has not been submitted for approval.

The recipient must submit an indirect cost rate proposal or CAP. These documents should be submitted to DOL's Division of Cost Determination (DCD) or to the recipient's FCA. In addition, the recipient must notify the Federal Project Officer (FPO) that the documents have been submitted to the appropriate FCA. **If this proposal is not**

submitted within 90 days of the effective date of the award, no funds will be approved for the reimbursement of indirect costs. Failure to submit an indirect cost proposal by the above date means the recipient will not receive further reimbursement for indirect costs until a signed copy of the federally approved NICRA or CAP is provided and the restriction is lifted by the Grant Officer. All indirect charges must be returned through the Payment Management System and no indirect charges will be reimbursed.

The total amount of DOL's financial obligation under this grant award **will not** be increased to reimburse the recipient for higher negotiated indirect costs.

- ___ C. The recipient elected to exclude indirect costs from the proposed budget. Please be aware that incurred indirect costs (such as top management salaries, financial oversight, human resources, payroll, personnel, auditing costs, accounting and legal, etc. used for the general oversight and administration of the organization) must not be classified as direct costs; these types of costs are indirect costs. Only direct costs, as defined by the applicable cost principles, will be charged. Audit disallowances may occur if indirect costs are misclassified as direct costs in accordance with 2 CFR 200.412.
- ___ D. The recipient has never received a negotiated indirect cost rate and, pursuant to the exceptions noted at 2 CFR 200.414(f) in the Cost Principles of the Uniform Guidance has elected to charge a de minimis rate of 10% of modified total direct costs (see 2 CFR 200.68 for definition of MTDC) which may be used indefinitely. Governmental departments or agencies that receive more than \$35 million in direct Federal Funding must submit an indirect cost rate proposal and cannot request a de minimis rate. This methodology must be used consistently for all Federal awards until such time as you choose to negotiate for an indirect cost rate, which you may apply to do at any time. (See 2 CFR 200.414(f) for more information on use of the de minimis rate.)

If DOL is your FCA, recipients must work with DOL's DCD, which has delegated authority to negotiate and issue a NICRA or CAP on behalf of the Federal Government. More information about DOL's DCD is available at <http://www.dol.gov/oasam/boc/dcd/>. This website has guidelines to develop indirect cost rates, links to the applicable cost principles, and contact information. The DCD also has Frequently Asked Questions providing general information about the indirect cost rate approval process and due dates for provisional and final indirect cost rate proposals at <http://www.dol.gov/oasam/faqs/FAQ-dcd.htm>.

NOTE: Individual grant agreements may contain terms and/or conditions which could differ somewhat from those in this sample template, therefore, each recipient must read, refer and adhere to those terms and conditions in any respective award document.

Starting the quarter ending September 30, 2016, all grant recipients with an approved NICRA or de minimis rate must report indirect costs on their FINAL ETA-9130 Form. Please see TEGL 2-16 for additional guidance at https://wdr.doleta.gov/directives/attach/TEGL/TEGL_2-16_acc.pdf

13. Cost Limitation Restrictions

a. Administrative Costs

Discretionary Awards funded under WIOA

There is a **%** limitation on administrative costs on funds awarded under this grant. Under no circumstances may administrative costs exceed this limit. Administrative costs under this award follow the definition in the Workforce Innovation and Opportunity A Act at 20 CFR 683.215 . Compliance with the administrative costs limits is monitored throughout the grant period. Any amounts exceeding this limitation at closeout will be disallowed and subject to debt collection.

WIOA formula

There is a **3 %** limitation on administrative costs on funds awarded under this grant. In no event may administrative costs exceed this limit. Under the Workforce Innovation and Opportunity Act, administrative costs are defined and discussed in 20 CFR 683.215. Compliance with the administrative costs limits is evaluated at grant close out. Any amounts exceeding this limitation will be disallowed and subject to debt collection.

SCSEP

Administrative costs under this grant are not to exceed 13.5% of the grant amount. If necessary, certain exceptions can raise this limit to up to 15% of the grant amount, but necessitate prior approval from the Grant Officer. Administrative costs, as defined in the Older Americans Act 2006 Amendments – Section 502(c)(4), are the costs, both personnel-related and non-personnel-related and both direct and indirect, associated with the following: “(A) The costs of performing general administrative functions and of providing for the coordination of functions, such as the costs of— “(i) accounting, budgeting, and financial and cash management; “(ii) procurement and purchasing; (iii) property management; ‘(iv) personnel management; ‘(v) payroll functions; ‘(vi) coordinating the resolution of findings arising from audits, reviews, investigations, and incident reports; (vii) audits; (viii) general legal services; (ix) developing

INAP

There is a 15% limitation on administrative costs on funds awarded under this grant. If necessary, certain exceptions can raise this limit to up to 20% of the grant amount, but necessitate prior written approval from the Grant Officer. Failure to obtain such prior written approval may result in cost disallowance. Compliance with the administrative costs limits is monitored throughout the grant period. Any amounts exceeding this limitation at closeout will be disallowed and subject to debt collection.

Administrative costs under this award follow the definition in the Workforce Innovation and Opportunity Act at 20 CFR 684.820 In addition, the Office of National Programs (ONP) Bulletin 99-003 (dated December 10, 1999) provides further clarification on ETA's policy on administrative cost limits for the WIOA Section 166 Program (<http://www.doleta.gov/dinap/bulletins/onp9903.cfm>).

b. Budget Flexibility

For all Federal recipients, no transfers are permitted that would cause any funds to be used for purposes other than those consistent with this Federal program. Any budget changes impacting the Statement of Work and agreed upon outcomes or deliverables require a request for modification and prior approval from the Grant Officer.

As directed in 2 CFR 200.308(e), for programs where the Federal share is over the simplified acquisition threshold (currently \$150,000), the transfer of funds among direct cost categories or programs, functions and activities is restricted such that if the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency, the recipient must receive prior approval from the Grant Officer. Any changes within a specific cost category on the SF424a do not require a grant modification unless the change results in a cumulative transfer among direct cost categories exceeding 10% of total budget as noted above. It is recommended that your assigned FPO review any within-line changes to your budget prior to implementation to ensure they do not require a modification. For programs where the Federal share is below the simplified acquisition threshold, recipients are not required to receive Grant Officer approval for transfers of funds

among direct cost categories. This includes transferring direct costs to the indirect cost category contained on on the SF424a.

c. Consultants

For the purposes of this award, fees paid to a consultant who provides services under a program shall be limited to \$710 per day without prior approval from the Grant Officer.

d. Foreign Travel

Foreign travel is not allowable except with prior written approval. Prior written approval must be obtained from the Grant Officer through the process described in 2 CFR 200.407 and 2 CFR 2900.16. All travel, both domestic and Grant Officer-approved foreign travel, must comply with the Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

e. Travel

This award waives the prior approval requirement for domestic travel as contained in 2 CFR 200.474. For domestic travel to be an allowable cost, it must be necessary, reasonable, allocable and conform to the non-Federal entities written policies and procedures. All travel must also comply with Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a US Flag air carrier if service provided by such carrier is available.

e. Travel – Mileage Reimbursement Rates

Pursuant to 2 CFR 200.474(a), recipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this federal award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees. The 2017 mileage reimbursement rates are:

Modes of Transportation	Effective/Applicability Date	Rate per mile
Privately owned automobile	January 1, 2017	\$0.535
Privately owned motorcycle	January 1, 2017	\$0.505

Mileage rates must be checked annually at www.gsa.gov/mileage to ensure compliance.

14. Administrative Requirements

a. Assurances and Certifications

The signed SF-424, Application for Federal Assistance, has been included as an attachment to this grant. The individual that signed the SF-424 on behalf of the applicant is considered the Authorized Representative of the applicant. As stated in block 21 of the SF-424 form, the

ATTACHMENT E: ADWS Adapted DOL/ETA Standard Federal Award Terms & Conditions – FY2017

NOTE: Individual grant agreements may contain terms and/or conditions which could differ somewhat from those in this sample template, therefore, each recipient must read, refer and adhere to those terms and conditions in any respective award document.

signature of the Authorized Representative on the SF-424 certifies that the organization is in compliance with the Assurances and Certifications form SF-424B (available at <http://apply07.grants.gov/apply/forms/sample/SF424B-V1.1.pdf>). You do not need to submit the SF-424B form separately.

b. Audits

Organization-wide or program-specific audits shall be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance which apply to audits for fiscal years beginning on or after December 26, 2014. Recipients of DOL awards including for-profit and foreign entities that expend \$750,000 or more in a year in Federal awards must have an audit conducted for that year in accordance with the requirements contained in 2 CFR 200.501. OMB's approved exception at 2 CFR 2900.2 expands the definition of 'non-Federal entity' to include for-profit entities and foreign entities. For-profit and foreign entities that are recipients or subrecipients of a DOL award must adhere to the Uniform Guidance at 2 CFR 200.

c. Closeout/Final Year Requirements

At the end of the grant period, the recipient will be required to close the grant with ETA. The recipient will be notified approximately 15 days prior to the end of the period of performance that the closeout process will begin once the grant ends. Information concerning the recipient's responsibilities at closeout may be found in 2 CFR 200.343. During the closeout process, the grantee must be able to provide documentation for all direct and indirect costs incurred. Specifically, if an organization is claiming indirect costs, the documentation required is a Negotiated Indirect Cost Rate Agreement or Cost Allocation Plan issued by the grantee's Federal cognizant agency. Documentation for those approved to utilize a de minimis rate for indirect costs is demonstrated through the grant agreement. The lack of documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection.

d. Creative Commons Attributions License

As required at 2 CFR 2900.13, any intellectual property developed under competitive award process must be licensed under a Creative Commons Attribution 4.0 (CC BY) license, which allows subsequent users to copy, distribute, transmit and adapt the copyrighted work and requires such users to attribute the work in the manner specified by the recipient. Instructions for marking your work with CC BY can be found at http://wiki.creativecommons.org/Marking_your_work_with_a_CC_license.

e. Equipment

Recipients must receive **prior approval** from the Grant Officer for the purchase of any equipment as defined in the Uniform Guidance at 2 CFR 200.33. Equipment purchases must be made in accordance with 2 CFR 200.313 or 2 CFR 200.439.

This grant award **does not** give approval for equipment specified in a recipient's budget or statement of work unless specifically approved by the Grant Office. If not specified above, the

recipient must submit a detailed description list to the FPO for review within 90 days of the Notice of Award date. We strongly encourage recipients to submit equipment purchase requests as early as possible in the grant's period of performance with as many planned pieces of equipment as possible.

Recipients may not purchase equipment in the last funded year of performance which is defined as full program service delivery (not follow up activities), which may not be the same as the last twelve months of the period of performance. If any approved acquisition has not occurred prior to the last funded year of performance, approval for that item(s) is rescinded.
