OVERVIEW OF SYSTEM
STAKEHOLDERS

ROLES AND RESPONSIBILITIES
Federal agency that administers the WIOA Title I program and grants funding to states

Mission: To contribute to more efficient functioning of U.S. labor market by providing high-quality job training, employment, labor market information, and income maintenance services primarily through state and local workforce development systems

National Office and six Regional Offices

• Federal Project Officers work directly with states to conduct monitoring/oversight and provide technical assistance
GOVERNOR

- Official WIOA grant recipient
- Designates a State Workforce Agency to receive and administer the funding on his/her behalf
- Appoints members to the State Workforce Development Board (SWDB) following criteria outlined in the law
  - Arkansas Workforce Development Board
ARKANSAS WORKFORCE DEVELOPMENT BOARD (AWDB)

Purpose is to convene state, regional and local partners to:

- Enhance the capacity of the system
- Align and improve program outcomes
- Promote economic growth
- Engage businesses and other stakeholders
- Support achievement of the state’s vision and goals

Appointed by the Governor to oversee implementation and continuous improvement of the state workforce system.
WIOA REQUIRES

- Employment and training services for adults, dislocated workers, and youth (WIOA Title I)
- Adult Education programs (WIOA Title II)
- Wagner-Peyser (WIOA Title III)
- Vocational Rehabilitation (WIOA Title IV)
- Other programs for specific populations:
  - Job Corps, YouthBuild, Indian and Native Americans, and Migrant and Seasonal Farmworkers
Division of Workforce Services (ADWS) is Arkansas’ State Workforce Agency

ADWS:

- Grants local WIOA funding to Chief Elected Officials (or the fiscal agents they designate to receive it on their behalf)
- Provides subject matter expertise to the SWDB (along with other key state partner agencies)
- Develops policy and guidance for the local system
- Monitors implementation of the WIOA program for compliance and effectiveness
- Provides technical assistance and training to support effective implementation
CHIEF ELECTED OFFICIALS

- CEO is chief elected executive official of a unit of general local government
- Significant responsibility and opportunity to shape the local system and use it as a tool to drive community prosperity
  - Can create a nimble and responsive talent pipeline development system
CEO RESPONSIBILITIES

As the WIOA Title I Grant Recipient:

- Accept financial liability for Title I funds
- Determine how to share liability, if applicable
- Select a Chair of the Chief Elected Officials Consortium
- Appoint Local Workforce Development Board members
- Designate a grant sub recipient or fiscal agent
- Act in review/approval mode for key WIOA provisions
- Ensure high-level oversight of system
CEO may opt to designate an entity to be the grant sub-recipient or fiscal agent. This entity would:

- Serve as fiscal agent
- Employ staff to the Local Workforce Development Board

CEO may also opt to have his/her unit of government serve as fiscal agent.
FISCAL AGENT

Appointed by the CEO to act on his/her behalf to assist in the administration of grant funds

- CEO must ensure roles and responsibilities are clearly defined and generally include accounting and funds management functions

Have no independent authority under WIOA beyond what is granted to them by the CEO (and CEO always retains liability for misuse of grant funds)

Not strategic in focus, but can be critical to successful implementation as they allow other system members to focus on strategy and innovation
LOCAL WORKFORCE DEVELOPMENT BOARD (LWDB)

- Appointed by Chief Elected Official
- Serve as the strategic leader and convener of workforce development system stakeholders in the local area
- Majority of members are business reps
- Board Chair must represent business
- Partners with employers and the workforce system to develop local WIOA plan, policies and investments that drive the vision for economic prosperity.
LOCAL WORKFORCE DEVELOPMENT AREA (LWDA)

- Local workforce areas and regions are designated by the Governor after taking into consideration:
  - Local labor markets
  - Regional economic developer areas
  - Area’s resources and capacity

- LWDB publishes a local WIOA Plan outlining vision, goals, strategies and investments for the area.

- Regional planning is conducted by CEOs and LWDBs in a designated region to identify and coordinate service strategies across the regional economy.
ONE-STOP OPERATOR (OSO)

Organization (or consortium) procured to coordinate service delivery of partners and service providers

May provide some services or be the primary provider of services

Prohibited from performing certain functions

Does not have a role in developing local plan, but does have a role in operationalizing the vision, policy and strategies defined by the LWDB
SERVICE PROVIDERS

Deliver front-line services to customers, typically through American Job Centers (AJCs)

Engaged through a contract with the administrative entity to provide services such as:
• Case management
• Assessment
• Job search assistance
• Training referrals

Like the OSO, play a role in implementing the vision, goals and strategy laid out by the LWDB in the local WIOA plan
AMERICAN JOB CENTERS (AJCs)

- Physical centers where job seeker and business customers access employment and training services
  - Arkansas Workforce Centers
  - Formerly referred to as “one-stop” centers
- Designed to provide a full range of assistance under one roof (and virtually)
  - Job seeking customers
  - Business customers
    - Staff may travel to meet at place of businesses but job fairs, applicant screening, sector meetings may also happen at AJCs
- A key place that the CEO/LWDB vision is operationalized
SYSTEM STAKEHOLDERS

1. Arkansas Workforce Development Board
2. Chief Elected Officials
