## **Robby West**

Robby West, a bus driver for the Cabot school district, faced challenges due to his moderate to severe bilateral hearing loss. With the support of Arkansas Rehabilitation Services (ARS), Robby quickly obtained vital hearing aids, enabling effective communication at work. Through collaborative efforts with ARS and its partners, Robby not only retained his job but also gained confidence and independence in pursuing his passion for driving.

## **Bailey Mitchell**

Since 2022, Bailey Mitchell has been an enthusiastic participant in Arkansas Rehabilitation Services. She recently graduated from Joe T. Robinson High School and is now pursuing her passion for cosmetology at Pulaski Technical College in Little Rock.

Thriving in her new environment, Bailey expresses gratitude for the ongoing support from ARS, PTC staff, and newfound friends. Eager to make a difference, Bailey dreams of owning her own hair salon and using her creativity to empower others.

With a vibrant social media presence and a heart for helping others, Bailey embodies positivity and ambition. She credits her VR Counselor, Katrina Bennett, for her guidance and kindness, urging others to explore the opportunities ARS provides. With boundless aspirations, Bailey confidently declares, "My future looks bright, thanks to AR Rehab!"
