LiveHereARK: Learn more about living and working in Arkansas

You are welcome in Arkansas! Learn more about living in The Natural State, including housing costs, healthcare, local events and major employers. You can upload your resume and set up a live conversation with a community representative who can help you with job opportunities.

I grew up in a military family and served in the Air Force. My family is originally from San Antonio. I am the mother of three daughters. When it came time to decide where to settle, I chose Arkansas. The hometown feel and natural beauty of the state felt welcoming to me and my family. For the past 23 years, I've been proud to call Arkansas home. **It's the best place to raise a family.**

- Gina Chandler,
Director of Veteran Services,
Arkansas Department of Veteran Affairs
