Version Available	Computer-based; Print	
Administration Type	Individual or Group	
Administration Time Guidelines	<b>110-120 Minutes depending on Test Level. Consult Test Directions for official time for each content level</b>	
Locator/Appraisal Required	Yes ( <b>45 minutes</b> )	
Forms Available	<b>Forms 11 and 12 (Levels L, E, M, D, A)</b>	
Length before Pre-test	Within first six hours of instruction	
Length before Post-test	Alternate Form Testing - 50-60 hours recommended ; 40 minimum for learners pre-testing in NRS levels 1-4; 30 hours minimum for learners pre-testing in NRS levels 5 and 6  Same Form Testing - 120 hours recommended	
Item Type/Content	Test of Adult Basic Education (TABE) – Reading focuses on reading items from everyday life, work, and other <b>literary</b> content. Visual items are included in the reading items. With different levels, the information increases in complexity. Questions are in a <b>multiple-choice, drag and drop, multiple select, evidence based selected response</b> format.	
Scoring Procedures	Raw scores are determined by counting the <b>total points achieved</b> . The <b>total points are</b> converted into a scale score for reporting. For the score to be valid, it must fall in the acceptable range for the form and level as established by the publisher. Scoring is completed in one of three ways: (1) manually - carbonless answer sheet or scoring stencil; (2) scanning - scan the answer sheet with scoring software; (3) online - scored automatically by the online software. ( <i>Scale score determines EFL.</i> )	
Accommodations	Large Print, Braille, Audio editions are available.	
Training Requirements	To become an assessor for TABE, individuals must successfully complete an online or in-person certification training provided by the state association. After successfully completing the training, participants must successfully administer and score three learner assessments under the supervision of a qualified assessor before independently administering an assessment.
